DETAILED ACTION

1. Claims 1-6 are pending.

Claim Rejections - 35 USC § 103

2. Claims 1-6 are rejected under 35 U.S.C. 103(a) as being unpatentable over Price in view of Official Notice.

Applicant is directed towards the previous Office Action, paragraph 4, regarding Price, in view of Official Notice. Applicant's March 22, 2005 REMARKS have been reviewed, but are not convincing. Applicant's profitability calculations are common knowledge variances for defining earnings calculations.

Applicant's attempt at traversing the Official Notice findings as stated in the previous Office Action mailed November 22, 2004 is inadequate. Adequate traversal is a two step process. First, Applicant must state their traversal on the record. Second, and in accordance with 37 C.F.R. § 1.111(b) which requires Applicant to specifically point out the supposed errors in the Office Action, Applicant must state why the Office Action statements are not to be considered common knowledge or well known in the art.

In this application, Applicant has clearly not met step (1) as not traversal of Official Notice has been taken. Second, Applicant has failed step (2) since they have failed to argue why the Official Notice statements are not to be considered common knowledge or well known in the art. Because Applicant's traversal is inadequate, the Official Notice, e.g. common knowledge, statements are taken to be admitted as prior art. See, MPEP § 2144.03

Conclusion

3. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
